II The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground (1) that he has been convicted by a criminal court or has previously been guilty of such a breach of the conditions of licence or of a contract under the $\frac{\text{Abkari}}{\text{Opium}}$ Act as to render him undesirable as a holder of a licence ; or (2) that he is insolvent or in arrears to Government ; or (3) that his bid is purely speculative ; or (4) that he is a village officer or a relative of a village officer of the village in which the shop is situated or which is supplied by the shop or of a neighbouring village ; or (5) that he is a contract supplier of country spirits for the contract area within which the shop is situated ; or (6) that he is a brewer or agent of a brewer (either local or foreign) bidding for any shop in which beer is sold for consumption on the premises ; or (7) tha

III. The reserve price placed on each shop will not be published but the average annual rental during the previous five years will be notified by Collectors, wherever possible, for the information of bidders. The selling officer will fix the upset price of each shop.

IV. The shops will be put up to auction in the order in which they are notified unless the selling officer sees reason to change that order.

V. The highest bid will be provisionally accepted by the selling officer subject to confirmation by the Collector. Such subsequent confirmation after the close of the sale will be necessary even if the selling officer is the Collector himself. The Collector will be at liberty to accept or reject any bid at his discretion. If the selling officer before the close of the sale rejects under condition II the highest bid for any shop he may at his discretion either accept the next highest bid or resell the shop. In case of dispute the selling officer's decision will be final.

VI. (*a*) Every person whose bid is provisionally accepted shall—

(i) at once, if so required by the selling officer, or otherwise at the close of the day's sale, deposit, in addition to the deposits made under clause I, half a month's rent for each shop knocked down to him, unless the initial deposit equals or exceeds two months' rent ;

(ii) at once apply in writing for a licence for each shop knocked down to him and within a week thereafter furnish the Tahsildar with the boundaries of the site selected by him for the location of the shop and a statement in the prescribed form (annexed to this notification) showing details of the immovable property possessed by him, or in which he has an interest together with accurate and full details of encumbrances, etc., thereon ;

(iii) within fifteen days from the date of sale deposit such further sum as with the deposits already made under sub-clause (i) supra will make up two months' rent of all shops knocked down to him.

(*b*) Further if the Tahsildar is not satisfied that any such person can be trusted to pay his rent punctually and fully, he may require him, in addition to the deposits required under clause (*a*) (iii) supra, either

(i) to deposit two months' rent of all shops knocked down to him, or

(ii) to execute a mortgage of his immovable property in favour of the Government for all moneys that may become due under the terms of the contract with a power of sale in favour of the mortgagee to be exercised in default of payment thereof by the purchaser, or

(iii) to produce a surety or sureties, to be accepted by the Tahsildar, who should execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract and to execute a mortgage deed of his or their immovable property in favour of the Government for the payment of all moneys due under the said contract by the purchaser with a power of sale in favour of the mortgagee in default of payment thereof, by the surety or sureties or by the purchaser, or

(iv) if the Tahsildar is not satisfied that the value of his immovable property tendered as a security is adequate, he may require such person further to produce, in addition to mortgaging his property, a surety or sureties to be approved by the Tahsildar, who shall execute a security bond for the balance of the money that may become due and execute a mortgage deed of the surety or sureties property in favour of the Government. The sureti referred to in sub-clauses (iii) and (iv) should subm to the Tahsildar a statement in the prescribed for annexed to this notification showing details of the immovable property. The purchaser shall b bound to carry out the provisions of sub-clause (i) to (iv) above within fifteen days from the date o sale.

The bond and the mortgage deeds shall b stamped and registered at the expense of the pur chaser. He shall also be bound to execute counterpart agreement. The bidder or his suret must produce at his cost an encumbrance certificat in cases where immovable property is mortgaged t Government.

VII. Deposits will be returned in any case i which the Collector refuses to confirm the accep tance of the bid.

VIII. At the close of the day's sale the selling officer will notify the date on which resales, if any are found necessary, will be held ; when the list o shops to be resold has been drawn up, a copy of i will be sent to any bidder who gives his name and address to the Tahsildar.

IX. The order of the Collector confirming o refusing to confirm the acceptance of a bid shall be final unless it is revised by the Commissioner for special reasons. In the event of any original bid not being confirmed by the Collector for the reason that it is inadequate, the resale should begin with the bid provisionally accepted by the selling officer at the original sale and in the name of the individual who offered that bid.

X. On the failure of any person to make a deposit or apply for a licence under condition VI or to comply with any requisition or to execute any enagement under condition VI, the shop may be resold under the orders of the Divisional Officer or on a report from the Divisional Officer may be otherwise disposed of by the Collector. Resales under this condition will be at the risk of the defaulting bidder, who will forfeit all gain and, in the event of a loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the deposits already made by the defaulting bidder will be forfeited and deducted from the loss arising from the re-sale, and the balance of the loss, if any, will be recoverable in the same manner as if it were an arrear of land revenue. Should however the deposits be greater than the loss by re-sale, only such part of the deposits as is necessary to cover loss by re-sale will be forfeited and the balance refunded to the defaulter. The defaulting bidder will be similarly liable if the shop is disposed of otherwise than by re-sale and such disposal results in loss to Government as compared with the original sale. Disposal otherwise than by re-sale includes closure.

XI. The purchaser of any abkari or opium privilege is liable to the penalties prescribed for breaches of the conditions set forth below, though a formal licence may not have been issued to him. In the event of the purchaser's death after issue of the licence, his heirs and assigns shall be responsible for all moneys that may become due to Government under the terms of the licence as well as for the proper observance of all the conditions of the licence.

XII. The deposits under condition VI (*a*) (iii) and (*b*) (i) may be made either in cash or in recognized Government, Port Trust, Municipal or Local Board securities, or by depositing Postal savings bank pass books or deposit certificates obtained

from the Provincial Co-operative Bank (Madras Central Urban Bank) or from any of the Central Banks approved by the Registrar of Co-operative Societies. When deposits are made otherwise than in cash, the Collector may demand that they shall be of such higher face value than the cash deposit required as in the circumstances of the market he may think necessary. Where the deposits under this condition are sufficient, under the Collector's orders, to cover also deposits made in cash under conditions I and VI (*a*) (i) which have not been refunded as well as deposits due under condition VI (*a*) (iii) and (*b*) (i) the deposits made in cash may be returned to the depositors. Renters who have made the deposits under condition VI (*a*) (iii) and (*b*) (i) in the form of deposit certificates obtained from any of the Central Banks mentioned above or in cash may make a formal requisition to the Treasury Officer or Sub-Treasury Officer as the case may be to transfer the cash deposits made by them under conditions I and VI (*a*) (i) or under conditions I, VI (*a*) (i) and VI (*a*) (iii) and (*b*) (i) to the fixed deposits in the Central Bank in the name of the Tahsildar. The Treasury Officer or Sub-Treasury Officer as the case may be will endorse this requisition on to the Bank and inform it that when the Bank gives the necessary formal receipt, he will hand over the amount to the representative of the Bank duly authorized to receive it, or will remit it by postal money order or insurance cover to the Bank. When the amount has to be sent by postal money order or insurance cover the renter will be required to deposit in the Treasury or Sub-Treasury, with his requisition to transfer the deposit, an amount which shall, in the opinion of the Treasury Officer or Sub-Treasury Officer as the case may be, be sufficient to cover the cost of forwarding the amount of the deposit to the Bank; any balance not utilized for this purpose will be credited towards any rent due from the depositor. The securities or savings bank pass-books deposited must be endorsed in the name of the Collector and Government promissory notes must be enfaced for payment of interest at the treasuries at which they are deposited, if so required. In the case of Co-operative Bank deposit certificates the deposits must be made in the name of the Tahsildar of the taluk, the contractor must agree in writing that he undertakes the risks, if any, involved in the investment and the banks must certify on the deposit certificate granted that the deposit is withdrawable on the Tahsildar's demand.

XIII. Deposits in cash will be adjusted towards the instalments of kists due in the last months of the period of the lease. Deposits of securities or savings bank pass-books or Co-operative Bank deposit certificates will be returned on payment in cash of the full amount of the rent due and of any penalties or other sums recoverable under the terms of the licence or of the conditions set forth below unless the depositors wish that Government should take them over, in which case they will be taken over at the price of the day, and the balance, if any, due to Government must be paid in cash. In cases of default under condition X of the conditions of auction sale or under condition 37 of the general conditions applicable to all abkari and opium licences, all securities deposited are liable to be sold for any amount due to Government under the terms of the lease, the remainder, if any, due after such sale, being recovered as arrears.

XIV. Applications for the privilege of wholesale vend of country spirits should reach the Collectors concerned on or before the 1st March, 1932, and should be accompanied by a fee of Rs. 15 which will be returned to those persons whose applications for licences are not approved. The grant of licence confers no exclusive privilege, and it will be open to the Collector to grant licences under like conditions to other persons at any time during the currency of the licences for which applications are now invited. Licences will be granted to private persons only if they have obtained the consent of the arrack supply contractor of the district to the opening of their depots and deposited such amounts as may be required by the Collector as security for the proper fulfilment of the conditions of the licence. If such depots are not worked to the satisfaction of the Collector, they may be closed at any time. Wholesale depot licences will not be granted to persons having interest in retail shops.

The licences issued under the above clauses will contain the following general conditions common to all abkari and opium licences and the special conditions prescribed below for any particular kind of licences:—

3. Sales under any abkari or opium licence must be conducted in an approved building of which the whole or the whole of a separable part must be entirely set aside for use as a depot or shop. Licensees must keep their shop premises in a sanitary condition to the satisfaction of inspecting officers. 4. Except when two or more foreign liquor licences are held by one person or in the case of licences held by chemists and druggists and medical practitioners, sales under different licences must be conducted in different premises:

Provided that ganja and opium shops may be kept in the same premises, if the portion occupied by one shop is effectively partitioned from the portion occupied by the other shop.

5. In liquor shops in which consumption on the premises is permitted, private bars may be allowed by the Collector under a special licence to be granted by him free of fee ; provided that the interior of the bar is wholly visible from the doorway, and that the entrance to it is either through the main door of the shop or through a separate door provided with a proper sign to show the nature of the bar.

6. A signboard must be affixed to the front of each depot or shop showing the nature and number of the licence under which sales are conducted there, the name of the licensee and (except in the case of foreign liquor) the current rate of sale. These particulars must be legibly painted in the local vernacular and in the case of taverns and wholesale depots in English also. The licence must be hung up in a conspicuous place within the depot or shop.

The Commissioner may, for sufficient reasons order the general closure of any kind or kinds or all kinds of licensed premises at any earlier hour than those prescribed above.

(*b*) With the previous sanction of the Commissioner, Collectors are authorized (i) to notify at the time of the auction that specified shops will be closed on the occasion of specified festivals, and that the hours of sale at specified shops which are in the neighbourhood of a market or shandy will be limited on market days generally or that they will be liable to limitation on such occasions by orders issued during the currency of the lease, if it is found that the shops promote drunkenness ; (ii) to order the closure of specified shops in the neighbourhood of factories, mills and other places, where large numbers of operatives assemble, from 11-30 a.m. to 1-30 p.m. on week days, on the afternoons of pay days and at all hours on Sundays except between 11-30 a.m. and 4 p.m. A special condition embodying these restrictions or liabilities will be inserted by the Collector in the licences granted to the renters of all such shops.

NOTE.—In Madras town, specified shops in the neighbourhood of mills will be closed on ordinary working days from 11-30 a.m. to 1 p.m., on pay days from 11-30 a.m. to 1 p.m. and from 4 p.m. to 8 p.m. (to 9 p.m. in the case of arrack shops) and on Sundays and on such mill holidays as are festival days at all hours except between 11-30 a.m. and 4 p.m.

(*e*) 9 p.m. is fixed as the general closing hour in the case of Railway refreshment rooms. Collectors are authorized to note in the licences the particular hours after 9 p.m. during which such licensed premises may be kept open for the sale of liquor to bona fide travellers only with reference to arrival and departure of trains. Collectors may alter these hours during the currency of the licence with reference to any alteration in the Railway time-tables.

11. Depots and shops must be closed, if the Collector so orders, while a regiment or detachment of soldiers is passing or is encamped in the vicinity. Collectors or Divisional Officers shall have power also temporarily to close any shops in times of religious excitement or disturbance. Every depot and shopkeeper shall close his depot or shop when a riot or disturbance occurs or appears likely to occur in the neighbourhood.

12. All liquor, opium and intoxicating drugs sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to liquor, opium or intoxicating drugs either to increase their intoxicating power or for any other purpose. 6. The duty on spirits purchased from the contract supplier's distillery or warehouse must be prepaid into a Government treasury unless the contract supplier has an advance account with the treasury, in which case the duty may be paid to him up to the limit of the balance in his favour in that account. The cost price of spirits purchased should be paid to the contract supplier.

7. In the case of purchases from wholesale depots the excise duty must be paid to the depotkeeper with the cost price.

Special Conditions applicable to Arrack Wholesale depot Licences.

1. Each cask in a depot shall have its capacity legibly cut, branded or painted on it. The licensee will be responsible for the correctness of such marks. The contents of casks of 80 gallons and upwards must be marked to the nearest half gallon, those of smaller ones to the nearest quarter gallon.

2. In the following cases no consignments of spirits received at depots from distilleries and warehouses and, in the case of (*a*), from other depots shall be opened before they have been gauged and proved by an authorized Government officer :—

(*a*) In case of issues from one part of British territory to another which must pass through Indian States or Foreign Settlements.

(*b*) In case of issues from the Nellikuppam distillery to the low duty tracts of the South Arcot district.

(a) In case of issues from the Bezwada warehouse to the Jeypore and Bastar zamindaris of the Vizagapatam District.

(b) In case of issues from the Samalkot Distillery to depots in the Kurnool and Agency tracts.

In these cases each petty shopkeeper is required to write down in a book kept in his shop daily after the receipt of the spirits and their accounts; thereafter the cask is locked and sealed and a fresh cask opened for issue in which case they are responsible for the contents as given in the distillery or warehouse permits. All casks received in a leaky or suspicious condition must be verified immediately on arrival at the depots.

3. No consignments of spirits which have to be transported through Indian States or Foreign Settlements shall be issued without their being sealed by authorized officers.

4. Each depot must be furnished with a hydrometer of such pattern as may be prescribed by the Commissioner of Excise, a thermometer, a bung-rod and a full dram measure. Bung-rods and dram measures and, if required, hydrometers and thermometers also will be supplied by the department on payment of the cost.

5. Wholesale depotkeepers shall obtain their supplies of liquor only from the distillery or warehouse established by the contract supplier in the contract area or from other wholesale depots in the same area, as shown in column 2 of the table in condition 2 of the conditions applicable to arrack licences.

6. Spirits shall be sold only to licensed vendors in the district. But wholesale depotkeepers in taluks, where a lower rate of cost price is in force, shall not sell liquor to licensed vendors in the other taluks of the district, where a higher rate of cost price is in force.

7. Wholesale depotkeepers shall send letters of advice once at the end of every fortnight to the Sub-Inspector of the range in which the shop is situated, whenever a consignment is issued to a shop in a different range from the depot. Letters of advice relating to shops in the same range as the depot shall invariably be written up by the depotkeeper at the time of writing the permit and either sent to the Sub-Inspector or handed over to him when he next inspects the depot.

8. A wastage allowance up to 2 per cent on the quantity advised in each cask received at the depot will be allowed to wholesale depotkeepers who should submit to the Inspector of the circle in which the depot is situated a statement showing (i) the number of the cask received at the depot, (ii) the quantity advised in each cask, (iii) quantity outturned and (iv) the wastage ascertained in each case. The statement should be submitted not later than the 5th of the month following that to which it relates. All cases of wastage in excess of the 2 per cent limit will be dealt with by Collectors at their discretion by a fine not exceeding double the duty payable on the excess wastage. If the casks have passed through areas in which different duties are in force, the fine may be calculated on the highest duty prevailing in any of such areas. Only one cask should be kept open at a time for issue. Depotkeepers should show clearly in their account books the cask from which each consignment or part of a consignment is issued.

9. Depotkeepers are required to seal at their own cost all consignments of liquor issued by them to which shall be affixed labels indicating the permit number and date of issue of liquor. Collectors may require that a portion of each supply from a depot to a shop shall be in sealed bottles. The depotkeepers shall use a private seal, an impression of which shall be made not only on the jars or other receptacles in which liquor is issued, but also on the permits issued with the consignments. The impression of the seal should be made in the permits with printing ink and not on wax and the hours from and to which the permits will be current should be noted in them. All depotkeepers will be required at the beginning of the year to furnish the Inspector of the circle within which their depot is situated with two clear impressions of the seal to be used and will not be permitted to change the seal during the year.

10. Depotkeepers or their employees shall have no interest in retail arrack shops.

Special Conditions applicable to Independent Arrack Shop Licences.

1. No consignments of spirits transported through Indian States or Foreign Settlements shall be opened before they have been verified by authorized officers.

2. Shopkeepers or their employees shall have no interest in arrack wholesale depots.

Conditions applicable to Tavern Licences.

1. The licensee is prohibited from rectifying spirits by purifying, colouring or flavouring or mixing any material therewith.

2. Every receptacle containing spirits flavoured, coloured or compounded in India and received into or kept for sale at the tavern shall be conspicuously labelled or branded with the words "Spirit compounded in India." All liquor imported in bulk and bottled in the Presidency received into or kept for sale at the tavern shall bear a printed label showing clearly the nature of the liquor contained therein, the country of manufacture, the name of the bottler as entered in his licence and the place of bottling. The licensee is forbidden to alter either the nature of the bottled liquor purchased by him or the labels upon the bottles, on pain of forfeiture of his licence. Beer should be sold from the original receptacle in which it is received from the brewery and should not be transferred to any other receptacle or receptacles except for special reasons to be recorded immediately by the licensee in his shop account book before transfer is effected.

3. If the licensee is desirous of obtaining a supply of coconut toddy arrack made in Malabar, he must make his own arrangements with the supply contractors. The contractors shall not be entitled to refuse to supply coconut toddy arrack except on the ground of want of stock. The liquor must be kept in receptacles labelled "Spirit manufactured in Malabar." The rate of duty is Rs. 21-14-0 per proof gallon.

4. The minimum strengths at which imported and locally made foreign spirits can be sold are 35° under-proof for gin, 30° under-proof for Colombo arrack and coconut toddy arrack and 25° under-proof for all other kinds of spirits including Italian arrack except denatured spirits.

5. The duty on "locally-made foreign liquor" is Rs. 21-14-0 per proof gallon.

6. The possession or sale of diluted beer by the licensees is prohibited.

Conditions applicable to Tavern Licences in places where there are no Beer Shops and to Beer Shop Licences.

1. Every licensed brewer within the Presidency is bound on payment of the value in legal tender or on security for such value being given to supply Indian beer at a price not exceeding Rs. 40 per hogshead

plus the excise duty in force at the time of issue, to all persons licensed to sell steer beer. Bar shops which have obtained Indian beer from the Bangalore brewery during 1922-23 may get their supplies from that brewery. Applicants shall be entitled to have Indian beer of good quality issued to them in the order of their applications and with all reasonable despatch. All complaints as to the quality of the beer supplied will be disposed of by the Commissioner whose decision shall be final.

2. The licensee is prohibited from importing beer manufactured in India from places other than Bangalore without the previous permission of the Commissioner. The sale of such beer not so imported is also prohibited.

Special Conditions applicable to Tavern Licences in places where there are no Beer Shops.

1. The privilege extends to the sale of foreign liquor, locally-made foreign liquor, and coconut toddy arrack to be consumed on the premises and to sale to any person at a time up to one reputed quart for removal from the premises.

2. Every receptacle containing beer brewed in India and received into or kept for sale at the shop shall be conspicuously labelled or branded with the words "Beer brewed in India."

Special Condition applicable to Tavern Licences in places where there are Beer Shops.

The privilege extends only to the sale of any foreign liquor except beer and of locally-made foreign liquor and coconut toddy arrack to be consumed on the premises and to the sale for removal from the premises of not more than one reputed quart at a time of such liquor or such arrack.

Special Conditions applicable to Beer Shop Licences.

1. The privilege extends only to the sale of beer brewed in India to be consumed on the premises and to the sale for removal from the premises of not more than one reputed quart at a time of such beer.

2. Every receptacle containing beer brewed in India and received into or kept for sale at the shop shall be conspicuously labelled or branded with the words "Beer brewed in India." Beer should be sold from the original receptacle in which it is received from the brewery and should not be transferred to any other receptacle or receptacles except for special reasons to be recorded immediately by the licensee in his shop account book before transfer is effected.

3. The possession or sale of diluted beer by the licensees is prohibited.

Special Condition applicable to Beer Shop Licences on The Nilgiris.

The licensee shall obtain beer from such brewery and at such price as the Collector may notify.

Conditions applicable to Ganja Shop Licences.

1. The licensee shall be bound by the Hemp Drugs rules prescribed by the Board in Notification No. 1, dated 6th January 1921, published on pages 70-80 of the *Fort St. George Gazette*, dated 11th January 1921, Part II, as subsequently amended and by any additional general or special rules which may from time to time be prescribed and notified.

2. The privilege conferred extends only to the sale of ganja, bhang and other intoxicating drugs prepared from the hemp plant but the privilege shall not extend to the manufacture or sale of ganja or bhang in the form of liquids or cigarettes or sale of ganja or bhang mixed with tobacco in any form for the purposes of smoking or chewing.

3. The licensee must obtain his supplies of ganja and bhang from the storehouses at Vetapalem and Mathigiri or from other shops within the same district as the shop or at any auction of confiscated ganja held by the Inspector, Madras Town Circle. The Commissioner may, however, at any time require any licensee to obtain his supplies from any one specified source or from the stock of Government ganja at Vetapalem.

4. During the closing month of lease (March) no licensee shall apply for more ganja than is necessary to meet the legitimate requirements of the remaining days of the lease. Every indent for ganja in March to the Storehouse Officer or to any ganja shopkeeper shall be sent through the Inspector of the circle in which the shop is situated who may, at his discretion, refuse to pass it in full and may pass for supply only such quantity as he considers reasonable.

5. Owners of stocks at the Mathigiri and Vetapalem storehouses, so long as they have stock in hand, are bound by a condition of their licence to supply ganja to licensed vendors on payment, in legal tender, of the value thereof at a rate not exceeding Rs. 2 per seer of 80 tolas or such other maximum as may be fixed either generally or with reference to any particular case. They are also bound to comply with indents for intoxicating drugs received from shopkeepers in accordance with the rules in the order of their receipt and with all reasonable despatch and to appoint agents at the storehouses to act for them during their absence if any. Should they fail to do so, it will be open to the Storehouse Officers to issue intoxicating drugs on their behalf when indents are received during their absence.

6. At the Vetapalem storehouse, Government ganja and bhang will be sold to licensed vendors when there is stock available at a fixed price of Rs. 1-6-0 per seer of ganja and As. 8 per seer of bhang. Licensees desiring to purchase this ganja or bhang must pay both the duty and the cost price of the drugs into the treasury of the taluk in which their shop is situated. They should forward the treasury receipts evidencing the payment of duty and cost price to the Storehouse Officer who will make the issues from the stocks in the storehouse.

7. No consignment of intoxicating drugs obtained from a Government storehouse shall be opened before it has been verified and passed by an authorized Government officer. Infraction of this provision will subject the licensee to a fine which may extend up to Rs. 200.

8. No licensee shall keep any greater quantity of ganja, bhang and other intoxicating drugs prepared from the hemp plant than may be fixed by the Collector. The Collector may, with the previous approval of the Commissioner, by notification at the time of auction sales, impose a maximum limit on the quantity to be sold under a licence and the Commissioner may, at any time, during the currency of the lease, if he finds that the issues to a shop are abnormally high, restrict further issues unless good reason is shown by the licensee.

9. Licensees are prohibited from breaking up the pressed ganja kept for sale in their shops except in

small quantities not exceeding the average daily sales in their shops. Other drugs may be manufactured from ganja and bhang in shops and sold to other licensees under these rules.

10. No licensee shall destroy the seeds or any part of his stock of ganja. The seeds, if separated from the stock, as well as any part of the stock which the licensee desires to destroy, should be carefully preserved for examination and destruction by an inspecting officer.

11. No licensed cultivator or licensed stockholder shall hold any interest in any retail shop.

12. If any ganja licence is used as a cloak for illicit sales or if the licensee knowingly sells ganja to a ganja smuggler or if the Collector has reason to suspect that the licensee is guilty of any offence of that nature, he may, after recording his reasons, forthwith cancel the licence and resell or otherwise dispose of the privilege at the risk of the licensee. The rent for the whole lease shall become due at once when a licence is cancelled under this condition.

13. The duty on ganja will be Rs. 25 per seer and on bhang Rs. 10 per seer.

Conditions applicable to Opium Shop Licences.

1. The licensee shall be bound by the rules prescribed under the Opium Act in Government Notification No. 66, dated 9th February 1929, published on pages 386-388 of the *Fort St. George Gazette*, dated 26th February 1929, Part I, as subsequently amended and any additional general or special rules which may from time to time be notified.

2. The privilege conferred extends only (*a*) to the retail sale of opium and (*b*) to the manufacture and retail sale of intoxicating drugs made from opium or the poppy other than morphia or preparations for smoking in shops duly sanctioned.

3. The price of opium at taluk cutcherries will be Rs. 80 per full seer cake and Rs. 40 per half seer cake.

4. The licensee shall obtain his supply of opium from such taluk cutcherry as may be ordered by the Collector in quantities of a half seer and multiples thereof on complying with the rules regulating such issues, or from other shops within the district under the special orders of the Collector. No opium other than that obtained in the manner specified above shall be sold or received or possessed by the licensee. During the closing month of the lease (March), the licensee shall not apply for more opium than is necessary to meet legitimate requirements of the remaining days of the lease. Every indent for opium in March will be carefully scrutinized by the officer in charge of the taluk treasury who may, at his discretion, refuse to comply with it in full, and may issue such quantity as he considers reasonable.

5. The licensee shall not sell at one time to any person more than one tola of opium or intoxicating drugs except in the Agency tracts of Ganjam, Vizagapatam and East Godavari where he may sell up to two tolas. The licensee is prohibited from breaking up the pressed opium cakes kept for sale in his shop except in quantities not exceeding the average daily sales in the shop.

6. The licensee shall keep at any one time no greater quantity of opium and intoxicating drugs other than morphia or preparations for smoking than may be fixed by the Collector. The Collector may, with the previous approval of the Commissioner, by notification at the time of auction sales, impose a maximum limit on the quantity to be sold under a licence and the Commissioner may, at any time during the currency of the lease, if he finds that the issues to a shop are abnormally high, restrict further issues unless good reason is shown by the licensee.

7. If this licence is used as a cloak for illicit sales or if the licensee knowingly sells opium to an opium smuggler or if the Collector has reason to suspect that the licensee is guilty of any of these offences, he may, after recording his reasons, forthwith cancel the licence and resell or otherwise dispose of the privilege at the risk of the licensee. The rent for the whole lease shall become due at once, when a licence is cancelled under this condition.

8. The smoking or consumption of opium or its preparations in any form in premises licensed for sale and the sale of morphia or preparations for smoking are prohibited.

9. Discretion is reserved to Collectors to issue separate licences to licensed chemists for the sale of opium and the manufacture and sale of opium preparations for medicinal purposes only.

No. 27] MADRAS, TUESDAY EVENING, JULY 5, 1932. [PRICE, 1 *anna*.

EXCISE DEPARTMENT.

NOTIFICATION.

No. 8, dated 3rd July 1932.

NOTICE OF SALE OF ABKARI PRIVILEGES.

Notice is hereby given that the privilege of sale of toddy in independent shops in the tree-tax areas of the Presidency, including the Banganapalle State and the toddy farms of 122 villages of the Parlakimedi Maliahs of the Ganjam Agency, will be put up to auction subject to the conditions hereinafter set forth. The period for which the privileges will be sold will be twelve months commencing 1st October 1932 and ending 30th September 1933. The number of shops and farms, the local limits appointed for them and the dates on which, the places at which and the officers by whom, the auction sales will be conducted, will be notified by Collectors in their District Gazettes. A separate notification will be issued regarding operations under the tree-tax system.

Conditions of Auction Sale.

I. Any person desiring to bid must deposit Rs. 20 with the selling officer on the day of sale, but discretion is given to the selling officer to reduce the deposit to Rs. 10 when necessary. In Madras City the deposit to be made by each bidder will be Rs. 50. No one will be admitted to the auction room unless he has made this deposit. No one may bid for another person unless he holds a power of attorney from him. No shop will be knocked down in the name of two or more persons. In the case of a duly recognized company or firm an agent duly authorized by a power of attorney, or any office-bearer empowered by the articles of association or similar rules, may bid for and act on behalf of the company or firm. Deposits made under this clause will be returned on application to unsuccessful bidders at the close of the day's sale.

NOTE.—In Madras City the deposit must be paid into the taluk treasury and the chalan for such payment produced before the selling officer. Deposits will be returned under the orders of the selling officer to unsuccessful bidders at the close of the day's sale on presentation of the chalan at the taluk office.

II. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground (1) that he has been convicted by a criminal court or has previously been guilty of such a breach of the conditions of licence or of a contract under the $\frac{\text{Abkari}}{\text{Opium}}$ Act as to render him undesirable as a holder of a licence; or (2) that he is insolvent or in arrears to Government; or (3) that his bid is purely speculative; or (4) that he is a village officer or a relative of a village officer of the village in which the shop is situated or which is supplied by the shop or of a neighbouring village; or (5) that he is a contract supplier of country spirits for the contract area within which the shop is situated; or (6) that he is a brewer or agent of a brewer (either local or foreign) bidding for any shop in which beer is sold for consumption on the premises; or (7) that such a course is necessary to prevent arrangements to the detriment of Government interests; or (8) for any other valid reason.

III. The reserve price placed on each shop or farm will not be published but the average annual rental during the previous five years will be notified by Collectors, wherever possible, for the information of bidders. The selling officer will fix the upset price of each shop or farm.

IV. The shops or farms will be put up to auction in the order in which they are notified unless the selling officer sees reason to change that order.

V. The highest bid will be provisionally accepted by the selling officer subject to confirmation by the Collector. Such subsequent confirmation after the close of the sale will be necessary even if the selling officer is the Collector himself. The Collector will be at liberty to accept or reject any bid at his discretion. If the selling officer before the close of the sale rejects under condition II the highest bid for any shop or farm, he may at his discretion either accept the next highest bid or resell the shop or farm. In case of dispute the selling officer's decision will be final.

VI. (*a*) Every person whose bid is provisionally accepted shall—

(i) at once, if so required by the selling officer, or otherwise at the close of the day's sale, deposit, in addition to the deposits made under clause I, half a month's rent for each shop or farm, knocked down to him, unless the initial deposit equals or exceeds two months' rent;

(ii) at once apply in writing for a licence for each shop or farm knocked down to him and within a week thereafter furnish the Tahsildar with the boundaries of the site selected by him for the location of the shop or farm and a statement in the prescribed form (annexed to this notification) showing details of the immovable property possessed by him, or in which he has an interest together with accurate and full details of encumbrances, etc., thereon;

(iii) within fifteen days from the date of sale deposit such further sum as with the deposits already made under sub-clause (i) supra will make up two months' rent of all shops or farms knocked down to him.

(*b*) Further if the Tahsildar is not satisfied that any such person can be trusted to pay his rent punctually and fully, he may require him, in addition to the deposits required under clause (*a*) (iii) supra, either

(i) to deposit two months' rent of all shops or farms knocked down to him, or

(ii) to execute a mortgage of his immovable property in favour of the Government for all moneys that may become due under the terms of the contract with a power of sale in favour of the mortgagee to be exercised in default of payment thereof by the purchaser, or

(iii) to produce a surety or sureties, to be accepted by the Tahsildar, who should execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract and to execute a mortgage deed of his or their immovable property in favour of the Government for the payment of all moneys due under the said contract by the purchaser with a power of sale in favour of the mortgagee in default of payment thereof, by the surety or sureties or by the purchaser, or

(iv) if the Tahsildar is not satisfied that the value of his immovable property tendered as security is adequate, he may require such person further to produce, in addition to mortgaging his property, a surety or sureties to be approved by the Tahsildar, who shall execute a security bond for the balance of the money that may become due and execute a mortgage deed of the surety or sureties' property in favour of the Government. The sureties referred to in sub-clauses (iii) and (iv) should submit to the Tahsildar a statement in the prescribed form annexed to this notification showing details of their immovable property. The purchaser shall be bound to carry out the provisions of sub-clauses (i) to (iv) above within fifteen days from the date of sale.

The bond and the mortgage deeds shall be stamped and registered at the expense of the purchaser. He shall also be bound to execute a counterpart agreement. The bidder or his surety must produce at his cost an encumbrance certificate in cases where immovable property is mortgaged to Government.

VII. Deposits will be returned in any case in which the Collector refuses to confirm the acceptance of the bid.

VIII. At the close of the day's sale the selling officer will notify the date on which resales, if any are found necessary, will be held; when the list of shops or farms to be resold has been drawn up, a copy of it will be sent to any bidder who gives his name and address to the Tahsildar.

IX. The order of the Collector confirming or refusing to confirm the acceptance of a bid shall be final unless it is revised by the Commissioner for special reasons. In the event of any original bid not being confirmed by the Collector for the reason that it is inadequate, the resale should begin with the bid provisionally accepted by the selling officer at the original sale and in the name of the individual who offered that bid.

X. On the failure of any person to make a deposit or apply for a licence under condition VI or to comply with any requisition or to execute any engagement under condition VI, the shop or farm may be resold under the orders of the Divisional Officer or on a report from the Divisional Officer may be otherwise disposed of by the Collector. Resales under this condition will be at the risk of the defaulting bidder, who will forfeit all gain and, in the event of a loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the deposits already made by the defaulting bidder will be forfeited and deducted from the loss arising from the resale, and the balance of the loss, if any, will be recoverable in the same manner as if it were an arrear of land revenue. Should however the deposits be greater than the loss by resale, only such part of the deposits as is necessary to cover loss by resale will be forfeited and the balance refunded to the defaulter. The defaulting bidder will be similarly liable if the shop or farm is disposed of otherwise than by resale and such disposal results in loss to Government as compared with the original sale. Disposal otherwise than by resale includes closure.

XI. The purchaser of any abkari or opium privilege is liable to the penalties prescribed for breaches of the conditions set forth below, though a formal licence may not have been issued to him. In the event of the purchaser's death after issue of the licence, his heirs and assigns shall be responsible for all moneys that may become due to Government under the terms of the licence as well as for the proper observance of all the conditions of the licence.

XII. The deposits under condition VI (*a*) (iii) and (*b*) (i) may be made either in cash or in recognized Government, Port Trust, Municipal or Local Board securities, or by depositing Postal savings bank pass books or deposit certificates obtained from the Provincial Co-operative Bank (Madras Central Urban Bank) or from any of the Central Banks approved by the Registrar of Co-operative Societies. When deposits are made otherwise than in cash, the Collector may demand that they shall be of such higher face value than the cash deposit required as in the circumstances of the market he may think necessary. Where the deposits under this condition are sufficient, under the Collector's orders, to cover also deposits made in cash under conditions I and VI (*a*) (i) which have not been refunded as well as deposits due under condition VI (*a*) (iii) and (*b*) (i) the deposits made in cash may be returned to the depositors. Renters who have made the deposits

under condition VI (*a*) (iii) and (*b*) (i) in the form of deposit certificates obtained from any of the Central Banks mentioned above or in cash may make a formal requisition to the Treasury Officer or Sub-Treasury Officer as the case may be to transfer the cash deposits made by them under conditions I and VI (*a*) (i) or under conditions I, VI (*a*) (i) and VI (*a*) (iii) and (*b*) (i) to the fixed deposits in the Central Bank in the name of the Tahsildar. The Treasury Officer or Sub-Treasury Officer as the case may be will endorse this requisition on to the Bank and inform it that when the Bank gives the necessary formal receipt, he will hand over the amount to the representative of the Bank duly authorized to receive it, or will remit it by postal money order or insurance cover to the Bank. When the amount has to be sent by postal money order or insurance cover the renter will be required to deposit in the Treasury or Sub-Treasury, with his requisition to transfer the deposit, an amount which shall, in the opinion of the Treasury Officer or Sub-Treasury Officer as the case may be, be sufficient to cover the cost of forwarding the amount of the deposit to the Bank; any balance not utilized for this purpose will be credited towards any rent due from the depositor. The securities or savings bank pass books deposited must be endorsed in the name of the Collector and Government promissory-notes must be enfaced for payment of interest at the treasuries at which they are deposited, if so required. In the case of Co-operative Bank deposit certificates the deposits must be made in the name of the Tahsildar of the taluk; the contractor must agree in writing that he undertakes the risks, if any, involved in the investment and the banks must certify on the deposit certificate granted that the deposit is withdrawable on the Tahsildar's demand.

XIII. Deposits in cash will be adjusted towards the instalments of kists due in the last months of the period of the lease. Deposits of securities or savings bank pass-books or Co-operative Bank deposit certificates will be returned on payment in cash of the full amount of the rent due and of any penalties or other sums recoverable under the terms of the licence or of the conditions set forth below unless the depositors wish that Government should take them over, in which case they will be taken over at the price of the day, and the balance, if any, due to Government must be paid in cash. In cases of default under condition X of the conditions of auction sale or under condition 37 of the general conditions applicable to all abkari and opium licences, all securities deposited are liable to be sold for any amount due to Government under the terms of the lease, the remainder, if any, due after such sale, being recovered as arrears.

General Conditions applicable to all Abkari and Opium Licences.

1. Shops and depots must be opened by the dates fixed by the Collectors and must be kept open every day unless their temporary or permanent closure is authorized under condition 10, 11 or 40 infra.

2. Except where definite sites in the possession or under the control of Government have been prescribed, purchasers of shops must make their own arrangements for securing proper sites for their shops. They are at liberty to choose any site within the local limits notified by the Collector, provided the site selected is approved of by the Revenue and Police Authorities; in areas for which Excise Licensing Boards have been constituted under rules framed by Government, the sites selected by renters will have to be approved by the Licensing Boards when the rules so require. The limits of the site selected and approved will be entered in the licence. The possession (except subject to the rules applicable to unlicensed persons) or sale of liquor, opium or intoxicating drugs outside those limits is prohibited.

3. Sales under any abkari or opium licence must be conducted in an approved building of which the whole or the whole of a separable part must be entirely set aside for use as a depot or shop. Licensees must keep their shop premises in a sanitary condition to the satisfaction of inspecting officers. In the case of arrack shops and taverns in municipalities, or towns having a population of 20,000 or over, there shall be no possible means of ingress or egress in any direction except into the main street; if there are other doors they shall be kept locked under the seal of an officer of the Excise Department; the interior of the shop shall be sufficiently lighted by day and the whole interior visible from the front door; the shop shall not be used as a place of residence save by the vendor and his family or caretakers. If there are means of communication between the depot or shop and an adjoining dwelling house, they must be kept locked at night.

4. Except when two or more foreign liquor licences are held by one person or in the case of licences held by chemists and druggists and medical practitioners, sales under different licences must be conducted in different premises:

Provided that ganja and opium shops may be kept in the same premises, if the portion occupied by one shop is effectively partitioned from the portion occupied by the other shop.

5. In liquor shops in which consumption on the premises is permitted, private bars may be allowed by the Collector under a special licence to be granted by him free of fee; provided that the interior of the bar is wholly visible from the doorway, and that the entrance to it is either through the main door of the shop or through a separate door provided with a proper sign to show the nature of the bar.

6. A signboard must be affixed to the front of each depot or shop showing the nature and number of the licence under which sales are conducted there, the name of the licensee and (except in the case of foreign liquor) the current rate of sale. These particulars must be legibly painted in the local vernacular and in the case of taverns and wholesale depots in English also. The licence must be hung up in a conspicuous place within the depot or shop.

7. The possession upon any licensed premises of any liquor, opium or intoxicating drug except that to which the licence relates or of any essence or substance used or capable of being used for colouring or flavouring liquor except in accordance with the terms of a compounding licence is prohibited.

8. Such supply of liquor, opium or intoxicating drugs as the Collector may consider sufficient to meet local requirements must be maintained in depots and shops.

9. No arrack shop shall be opened before 10-30 a.m. in Madras town, 10 a.m. in Tuticorin town

and 9-30 a.m. elsewhere. No foreign liquor tavern or beer shop shall be opened before 10-30 a.m. in Madras town and 9-30 a.m. elsewhere. Toddy shops shall not be opened before 9 a.m. in Salem town, in certain specified areas in the neighbourhood of mills in Madras town before 7-30 a.m., in Tuticorin and Mangalore towns before 7 a.m. and before sunrise elsewhere. No other shop shall be opened before sunrise. Arrack depots shall be kept open from 7 a m. to 12 noon and from 2 p.m to 6 p.m.

10. (*a*) No shop or depot shall be kept open after the hours prescribed below except under special authority:—

Arrack and toddy shops in Tuticorin town and toddy shops in Mangalore town ... ... / Arrack shops and foreign liquor taverns in Madras town ...	9 p.m.
Other kinds of shops in Madras, Tuticorin and Mangalore towns and shops of all kinds elsewhere	8 p.m.
Depots	6 p.m.

Collectors may on the report of the Police or for other sufficient reasons order the closure of any shop at an earlier hour if they consider such a course to be advisable in the interests of the public. The Commissioner may, for sufficient reasons, order the general closure of any kind or kinds or all kinds of licensed premises at any earlier hour than those prescribed above.

(*b*) With the previous sanction of the Commissioner, Collectors are authorized (i) to notify at the time of the auction that specified shops will be closed on the occasion of specified festivals, and that the hours of sale at specified shops which are in the neighbourhood of a market or shandy will be limited on market days generally or that they will be liable to limitation on such occasions by orders issued during the currency of the lease, if it is found that the shops promote drunkenness; (ii) to order the closure of specified shops in the neighbourhood of factories, mills and other places, where large numbers of operatives assemble, from 11-30 a.m. to 1-30 p m on week days, on the afternoons of pay days and at all hours on Sundays except between 11-30 a.m. and 4 p.m. A special condition embodying these restrictions or liabilities will be inserted by the Collector in the licences granted to the renters of all such shops.

NOTE.—In Madras town, specified shops in the neighbourhood of mills will be closed on ordinary working days from 11-30 a.m. to 1 p.m., on pay days from 11-30 a.m. to 1 p.m. and from 4 p.m. to 8 p.m. and on Sundays and on such mill holidays as are festival days at all hours except between 11-30 a.m. and 4 p.m.

(*c*) The closing hour of hotels in the Nilgiris is 10 p.m.

(*d*) The closing hour for refreshment rooms, hotels and hotel bars in Madras town is 10 p.m. The Collector of Madras and the Commissioner of Police, however, may jointly permit the extension of the time to 11 p.m.

(*e*) 9 p.m. is fixed as the general closing hour in the case of Railway refreshment rooms. Collectors are authorized to note in the licences the particular hours after 9 p.m. during which such licensed premises may be kept open for the sale of liquor to bona fide travellers only with reference to arrival and departure of trains. Collectors may alter these hours during the currency of the licence with reference to any alteration in the Railway time-tables.

11 Depots and shops must be closed, if the Collector so orders, while a regiment or detachment of soldiers is passing or is encamped in the vicinity. Collectors or Divisional Officers shall have power also temporarily to close any shops in times of religious excitement or disturbance. Every depot and shopkeeper shall close his depot or shop when a riot or disturbance occurs or appears likely to occur in the neighbourhood.

12. All liquor, opium and intoxicating drugs sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to liquor, opium or intoxicating drugs either to increase their intoxicating power or for any other purpose. This prohibition, however, does not apply to the compounding or blending of liquor or to the manufacture of intoxicating drugs from hemp drugs and opium in accordance with the terms of a licence. Liquor shall not be bottled except under a bottling licence. Nor shall different kinds of liquors be mixed and sold under the designation of one of them.

13. No woman shall be employed in any abkari or opium shop for the sale of liquor, opium or intoxicating drugs without the special permission of the Collector unless she be a member of the renter's family.

14. No person suffering from leprosy or any contagious disease shall be allowed to be the holder of abkari or opium privileges; nor shall licences be granted to persons below the age of eighteen in the case of abkari privileges and twenty in the case of opium privileges. The sale or transport of liquor, opium or intoxicating drugs by persons below the age of eighteen (twenty in the case of opium) or by persons suffering from leprosy or any contagious disease and the employment in any capacity of such persons in shops or depots licensed for the sale of the same are prohibited. No persons who have been convicted under the Indian Penal Code shall be employed in the transport or sale of liquor, opium or intoxicating drugs without the Collector's previous permission. The Divisional Officer may, where necessary, call for the names of all persons employed or proposed to be employed in any capacity in connexion with the management or the working of a depot or shop and the tapping and drawing of toddy for the supply of toddy shops in the topes in which the trees are marked and, if he disapproves of any such person, may forbid the licensee from keeping him in employment.

NOTE.—This rule applies to the sale of eatables by persons in liquor shops.

15. (*a*) No liquor, opium or intoxicating drug shall be sold or given—

I. Except at shops specially approved by the General Officer Commanding the Division (or independent brigade) or the Officer Commanding the Cantonment or Camp, and then only in respect to such liquors as shall be approved by the same authority in consultation with the local Excise authorities and specified in the licence—

(*b*) No liquor or intoxicating drug shall be sold or given in any circumstances to any child or young person under eighteen years of age or adult female; no opium shall be sold or given in any circumstances to any child or young person under twenty years of age or adult female.

(*c*) No child, young person under eighteen years of age or adult female shall be admitted into the premises of any shop in which consumption is allowed on the premises subject to the exception in condition 13.

NOTE.—(1) The restrictions in I and II do not apply to soldiers, their families and followers when they are absent on leave from their regiments.

(2) The restrictions in clauses (*b*) and (*c*), so far as they relate to adult females, do not apply to foreign liquor licences issued on fixed fees.

16. No liquor, opium or intoxicating drug shall be sold in shops except for cash. The licensee shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Police officer. This condition is not, however, meant to restrict credit sales in the ordinary course of business by shopkeepers or firms of standing and respectability dealing in foreign liquor for consumption off the premises.

17. No liquor, opium or intoxicating drug shall be sold either below or above such minimum* or maximum† prices as may be fixed for sale of the same in accordance with the law for the time being in force.

18. No liquor, opium or intoxicating drug in excess of the quantities prescribed for possession without a licence as specified below shall be issued to any person at any one time from any licensed premises without a valid permit, nor shall liquor be sold at wholesale depots in quantities less than the minima prescribed:—

Opium.—In the Agency tracts any quantity up to two tolas, and elsewhere one tola of opium or preparations therefrom other than morphia or preparations for smoking.

Coconut toddy arrack.—Two Imperial gallons.

Permits shall be in printed books, which can be obtained at all offices of the Inspectors of the Excise Department on production of receipts for payment of the cost price into a Government treasury. The signing of blank permits for subsequent issue is prohibited.

19. Only such weights and measures as may from time to time be prescribed by the Commissioner of Excise shall be possessed or used on any licensed premises, and they shall be tested and stamped by the stamping establishment of the district if the Collector shall so direct. Short measurement or short weighment is strictly forbidden.

20. No drunkenness, disorder or gaming shall be permitted in depots or shops. Entertainments of any kind in depots or shops are also strictly forbidden. Licensees are prohibited from advertising the sale of liquor, opium or intoxicating drugs by beat of tom-tom or placards in the streets and in the neighbourhood of markets and from giving or offering liquor, opium or intoxicating drugs free with the object of increasing the custom or for any other reason. They are also prohibited from employing motor or other conveyances to convey possible customers to their shops.

21. No robbers or thieves or disorderly or riotous persons shall be harboured in depots and shops. Intimation of their resort thereto shall be given to the nearest Magistrate or Police officer.

22. No person shall be harboured in any depot or shop during the night.

23. True accounts of transactions shall be maintained from day to day in ink in the prescribed form. Unless special permission is given to the contrary, separate accounts shall be kept for the transactions under each licence. The accounts shall be in printed books which may be obtained from local Revenue officers on payment of cost price. Permits for liquor, opium or intoxicating drugs received and the counterfoils of permits issued must be carefully filed in support of the accounts. The accounts and counterfoils of permits shall be preserved for one year after the period covered by the licences; they shall be handed over at the end of the lease either to the Range Sub-Inspector or to the incoming licensee and they shall be produced when called for by an officer not below the rank of an Assistant Inspector of the Excise Department.

24. Except in the case of fixed fee licences, the amount for which the privilege of sale has been purchased shall be payable in advance in twelve equal monthly instalments (' kists ') into a Government treasury of the taluk where the shop is situated or to an authorized village munsif in the same taluk on or before the 1st of each month beginning with April or October as the case may be. In the case of toddy shops, tree-tax should also be paid into a Government treasury of the taluk where the shop is situated or to an authorized village munsif in the same taluk. In Madras town kists should be paid in advance on or before the 10th of each month. Fines will be levied on any amounts not so paid; interest will also be levied on any amounts not paid before the end of the month for which they are

due. After the 25th of the month in Madras town or the 20th of the month elsewhere shops are liable to be sold for failure to pay kists. Toddy shops may also be resold for failure to pay tree-tax. Fees for depot licences must be pre-paid.

25. No remission or abatement of the rent shall be claimable on any account whatever.

26. Power is reserved to revenue officers to suspend licences in case of failure of payment of kists or of tree-tax on the due date. In the case of arrack, toddy, ganja and beer shops and taverns, this power will be exercised by Tahsildars or Deputy Tahsildars in independent charge, in the case of opium shops by Divisional Officers and in other cases by Collectors. In the event of suspension of a licence for failure to pay arrears, the privilege of sale will be resold with effect from the date of issue of the licence to the new purchaser, or otherwise disposed of at the Collector's discretion. Disposal of the privilege of sale otherwise than by resale includes also closure of the shop or tavern. All losses on account of suspension and resale or other disposal of the privilege shall be borne by the defaulting licensee and shall become due immediately on resale or other disposal of the shop; but the defaulting licensee shall have no right to any gain which may accrue. The whole of the deposit, if any, made by the licensee shall be liable to forfeiture. The officer who has power to suspend the licence may at his discretion allow sales to continue pending resale or other disposal of the privilege.

27. (*a*) No privilege of supply or vend shall be sold, transferred or sub-rented without the Collector's or in the case of a supplier under the contract distillery supply system, the Commissioner's previous permission. Nor, if the Collector so orders, shall any agent be appointed for the management of any such privilege without his previous approval.

(*b*) The transfer of a privilege will take effect from the date of issue of a licence to the transferee.

28. (*a*) No abkari or opium licence in an Indian State or Foreign territory will be allowed to have any interest in a licence for the same article in British territory without the special permission of the Collector.

(*b*) No abkari or opium licensee in any area in British territory may have any interest in or hold a licence for the same article in any other area in British territory in which a different rate of duty is in force without the special permission of the Collector for which the party concerned must apply without delay. Breach of this condition will render the party liable to the penalties prescribed by condition 37 in respect of all or any of the licences held.

29. Such returns and information as may be required by the Divisional Officer from time to time shall be furnished by holders of licences.

30. Licensees are bound to report to the Divisional Officer all instances which come to their knowledge of persons employed by them in the manufacture, transport or sale of liquor, opium or intoxicating drugs, committing breaches of the $\frac{\text{Abkari}}{\text{Opium}}$ laws and to comply with the Divisional Officer's orders respecting the continued employment of such persons.

31. Pecuniary dealings by licensees of an kind whatever with officials of the Land Revenu and the Excise Departments are absolutely pro hibited.

32. With the sanction of the Commissioner any licence shall be revocable by the Collecto at his discretion on giving the licensee fifteen days' notice of such revocation, in which case a proportionate part of the fee paid will be refunded.

33. All licensees shall be bound by any additional general rules that may be prescribed under the $\frac{\text{Abkari}}{\text{Opium}}$ laws and shall, if so required by the Collector or any officer authorized by him, deliver up their licences for amendment or for the issue of fresh ones.

34. The officers authorized to inspect licensed shops and depots are—

(1) any officer of the Revenue Department of rank not lower than Revenue Inspector, and

(2) any officer of the Excise Department of rank not lower than Sub-Inspector.

These officers are empowered to enter and examine the premises, to test the weights, measures, liquor, opium and intoxicating drugs in the possession of the licensees, and to call for and check the accounts kept in the shop or depot. Police officers will also make inspections when it comes within the scope of their duty.

35. All officers authorized to inspect depots and shops are authorized to detain any liquor, opium or intoxicating drugs found unfit for consumption or use or which they may believe to have been tampered with in any of the ways referred to in condition 12 and all Collectors and Assistant Commissioners of the Excise Department are empowered to confiscate or destroy such liquor, opium or intoxicating drugs.

36. An inspection note-book, in the prescribed form (G-10), shall be maintained for the use of inspecting officers and shall be handed over to the Inspector of the circle or to any officer authorized by him to receive it on a receipt being given therefor. This note-book is the property of Government and shall be returned at the end of the lease to the range Sub-Inspector or to the incoming renter in an unmutilated and reasonably clean condition on a receipt being given therefor.

37. (1) If a licensee or any person in his employment is convicted by a competent court of any offence against the $\frac{\text{Abkari}}{\text{Opium}}$ Act or of any offence under the Indian Penal Code which in the Collector's opinion renders it desirable to cancel the licence or if it is brought to the notice of the Collector that the licensee has been convicted by a competent court of any such offence prior to the grant to him of the licence, the Collector may direct that the licence shall be cancelled and the privilege be resold or otherwise disposed of at the risk of the licensee and may further direct, if he considers it necessary to do so, that any deposits made by the licensee shall be forfeited.

(2) Infraction of any of the conditions of the licence by a licensee or by any person in his employment will render the licensee liable either to be prosecuted and on conviction dealt with under clause (1) or to fine not exceeding Rs. 50 or to cancellation of licence and resale or other

disposal of the privilege at the risk of the licensee and if considered necessary by the Collector to forfeiture of deposits. The rent for the whole lease shall become due at once when a lease is cancelled under this or the preceding rule.

(3) When a licensee holds more than one licence granted under the Abkari or Opium Act and when any one of these licences is cancelled under clause (1) or (2) above or under the special conditions applicable to ganja or opium shop licences, the Collector, at his discretion, may direct that any or all of the other licences under the Abkari and Opium Acts held by the licensee shall be cancelled and the several privileges be resold or otherwise disposed of at the risk of the licensee and, if necessary, may further direct that any deposits made by the licensee shall be forfeited. The rent for the whole lease shall become due when a licence is cancelled under this rule.

NOTE.—For continuing breaches of a licence, continuing fines may be imposed.

38. Any sum due by a licensee may be adjusted from the deposit, if any, made by him or collected under the Revenue Recovery Act as an arrear of land revenue. The licensee shall be bound to replace any sum adjusted from his deposit within fifteen days of receipt of notice from the Tahsildar or Deputy Tahsildar in independent charge.

39 Interest on all moneys due shall be payable at the rate of 6 per cent per annum.

40. Specified sites or definite limits for each shop not overlapping those of other shops will be prescribed and notified in the District Gazettes before the sales. A Tahsildar may at any time permit or order the transfer of a shop within the limits notified for the shop in the sale notice. Provided that no changes in the number or location of shops and depots likely to affect the interest of adjacent shopkeepers shall be made during the currency of a lease except under the special sanction of the Commissioner.

41 The right is reserved to the Collector to grant 'occasional licences' for the sale of liquor, opium and intoxicating drugs on the occurrence of fairs, festivals, etc., in places in the vicinity of which there are no regularly licensed shops. Such licences should be issued only when absolutely necessary and shall ordinarily be granted to the shopkeepers who usually supply the locality or in rented areas to the representative of the renter. The licences shall run only for such period not exceeding ten days as they are actually required. Not more than one licence shall be issued for a fair or festival without the sanction of the Commissioner. The fees to be paid for the licences shall be fixed at the discretion of the Collector.

Conditions applicable to Toddy Licences.

1. The privilege conferred extends only to the sale of toddy.

2. Toddy required for sale should be drawn under separate tree-tapping licences to be obtained under the tree-tax rules from toddy trees in the tract in which the shop is situated or in any other tract in which the rates of tree-tax are not lower, subject to the discretion of the officer granting transport permits.

3. No toddy, except the produce of trees for the tapping of which a licence has been issued, shall be kept in the shop, offered for sale or sold.

4. The Collector will fix the minimum number of trees to be entered in original applications for tree-tapping licences.

5. The licence confers no right to the free use of any trees.

6. Arrangements for tapping private trees must be made with the owners thereof and tree-tax at the prescribed rates paid thereon.

7. The licensee shall be responsible to Government for all payments of instalments of fees due on account of tree-tapping licences granted on his application in his own name or in the names of his nominees under the conditions set forth therein and in the rules relating thereto.

8. Toddy may be imported from His Exalted Highness the Nizam's Dominions for sale in toddy shops in the Bellary district on payment of a transport duty of three annas for every five seers or part of five seers.

9. Toddy shopkeepers in British districts adjoining Mysore, Banganapalle, Pudukkottai and Cochin will be allowed to tap trees in those States on payment of tree-tax into British treasuries in the case of Mysore and Banganapalle and into the State treasury in the case of Pudukkottai and Cochin. Toddy shopkeepers in tracts adjoining Mysore territory will be allowed to tap trees in the Civil and Military Station, Bangalore, on payment of tree-tax into a treasury of the Madras Government.

10. The addition of water to and the distillation of spirits from toddy are absolutely prohibited.

11. No sweet toddy, even if it be the produce of marked trees on which tree-tax has been paid, shall be kept or sold in the shop, nor shall any sweet toddy be mixed or allowed to be mixed with fermented toddy drawn from trees marked for the shop either in the shop or outside it.

12. Toddy drawn for one shop should not be mixed with that drawn for another and transported in one receptacle.

13. In addition to the restrictions imposed by general conditions (2) and (14), the following restrictions will be imposed in respect of the area of shops and number of compartments and sellers in the districts named:—
